PROFESSIONAL SUMMARY

Graphic designer and video editor creating social media creatives, posters, thumbnails, promotional artwork and short-form video. Proficient in Adobe Photoshop, Illustrator and Premiere Pro, with a strong working knowledge of typography, composition, visual hierarchy, platform-specific formats and clean final delivery.

CORE SKILLS

Design

Adobe Photoshop, Adobe Illustrator, social media creatives, poster design, thumbnail design, typography, layout, visual hierarchy

Video

Adobe Premiere Pro, reels and shorts, captions, pacing, transitions, audio sync, basic color correction

Delivery

Digital and print exports, platform sizing, revisions, editable source files, organized project handoff

EXPERIENCE

Freelance Graphic Designer

Present

- Design social media posts, festival creatives, event posters, coaching promotions and gaming thumbnails for digital platforms.
- Develop visuals from concept to final export while maintaining clear hierarchy, readable typography, balanced composition and brand consistency.
- Prepare platform-ready dimensions, manage client revisions and deliver organized editable source files and final assets.

Freelance Video Editor

Present

- Edit reels, shorts, fitness clips and travel videos in Adobe Premiere Pro with captions, clean cuts, transitions, music sync and basic color adjustment.

SELECTED WORK

Social & Event Design

Festival creatives, event posters, coaching promotions and campaign artwork for online use.

Gaming Thumbnails

Creator-focused thumbnails with strong subject separation, readable headlines and clear visual emphasis.

Short-form Video

Vertical reels and shorts using captions, paced cuts, transitions, sound sync and social-first delivery.

EDUCATION

B.A. English Honours

2023 - 2027

Undergraduate studies with minor papers across Philosophy and Hindi
